

Job Opportunity – AV Technician / Production Engineer

Light Fantastic Production Services Ltd provide high quality lighting, audio, video and scenic solutions to the live events industry. Our clients rely on us to deliver bespoke production solutions to a wide range of prestige live events across the UK & Europe.

Due to continued growth an opportunity has arisen for an enthusiastic individual to join our team based in Borehamwood, Hertfordshire as AV technician. The role will involve deploying and operating audio & video systems for a wide range of live events across.

The ideal candidate will be able to demonstrate experience of installing, troubleshooting and operating audio & video systems for live events along with a strong interest in growing their technical skills and expertise. A working knowledge of audio visual technology, control systems, rigging techniques, power distribution & data distribution alongside a familiarity with products like Microsoft Powerpoint, Apple Keynote and Yamaha digital consoles will be extremely beneficial. Experience in associated disciplines like lighting or scenic construction would be a further bonus.

The ideal candidate will be enthusiastic, eloquent and able to work well as part of a wider team or using their own initiative. The role is heavily client facing so you must be a confident communicator with a desire to deliver the best service standards possible. You must be keen to learn and develop your expertise continually, meticulous and thorough in your work and have excellent interpersonal skills.

Due to the nature of the live events industry working location and hours will be flexible and will include evening and weekend work. A full driving license will be extremely beneficial.

This is a great opportunity for the right candidate to join a fun, friendly and passionate team delivering a varied and exciting project base. To apply, please send a CV to careers@lfps.co.uk along with a covering letter telling us what sets you apart from the crowd.

Salary + overtime negotiable depending on experience.
