Job Specification

Light Fantastic Production Services Ltd provide high quality lighting, audio, video and scenic solutions to the live events industry. Our clients rely on us to deliver bespoke production solutions to a wide range of prestige live events across the UK & Europe.

An opportunity has arisen for an enthusiastic individual to join our team based in Borehamwood, Hertfordshire in the role of Live Audio Engineer.

In this role you will be part of a team delivering an exciting range of projects across a variety of different sectors. No day is the same and our diverse client base means project work is extremely varied.

The ideal candidate will have a strong background in audio engineering for both spoken word and live music along with a good working knowledge of the latest technologies and best practice. You must be familiar with and able to display competence in basic acoustic principles, system design, use of digital mixing consoles and RF deployment.

You should have an excellent working knowledge of general production techniques including IT, rigging, power distribution & data distribution. Expertise in our other core areas of lighting and video will be highly beneficial.

The ideal candidate will be enthusiastic, eloquent and able to work well as part of a wider team or using their own initiative. The role is heavily client facing so you must be a confident communicator with a desire to deliver the best service standards possible. You must be keen to learn and develop your expertise continually, meticulous and thorough in your work and have excellent interpersonal skills.

Due to the nature of the live events industry working hours will be flexible and will include regular evening and weekend work. A full driving license will be extremely beneficial.

Company benefits include:

- Personal Private Healthcare provided by BUPA
- Private Dental provided by Denplan
- Enhanced Company Pension
- Weekly LFPS Breakfasts & Fresh Fruit Fridays
- Long Service Reward Scheme
- £50 annual Birthday gift
- 30 days paid holiday (including Public Holidays)
- Staff facilities including fresh ground coffee, vending machine & pool table
- Ongoing specific training opportunities
- Provision of full tool kit

This is a great opportunity for the right candidate to join a friendly and passionate team that thrives on a challenge. We'll reward you with a generous salary, opportunities for personal growth and a fun working environment with a group of people who care.
