## Job Specification

Light Fantastic Production Services Ltd provide high quality lighting, audio, video and scenic solutions to the live events industry. Our clients rely on us to deliver bespoke production solutions to a wide range of prestige live events across the UK & Europe.

The role will be heavily customer facing, working with our existing clients to service a diverse range of projects as well as proactively seeking opportunities for business development. In the role you will see projects through from initial quotation to final delivery. You will lead teams on site delivering projects to a high standard and act as an ambassador for the company.

The ideal candidate will have a strong background in scenic construction for live events along with a good working knowledge of resistant materials. You must be able to interpret briefs to turn them into accurate quotations taking into account material and labour requirements. You should be able to produce detailed construction drawings to communicate your vision to our workshop team, site team and other stakeholders. Most importantly, you must be a hands-on leader, able to lead build teams on site in a proactive manner.

You must be enthusiastic, eloquent and comfortable producing quotes, presenting to clients, handling budgets, managing logistics and growing / developing business opportunities. You must be able to demonstrate experience within the production industry and have a good range of professional contacts and knowledge alongside a positive, can-do attitude. You must possess excellent organisational skills and be highly computer literate. Excellent interpersonal skills will be essential along with a good sense of humour!

Due to the nature of the live events industry working hours will be flexible and will include evening and weekend work. A full driving license will be extremely beneficial.

This is a great opportunity for the right candidate to join a friendly and passionate team that thrives on a challenge. We'll reward you with a generous salary, opportunities for personal growth and a fun working environment with a group of people who care.
