

Job Specification: **Lighting Technician**
Reports to: **Operations Manager**
Date Updated: **10th March 2023**

Job Specification

Light Fantastic Production Services Ltd provide high quality lighting, audio, video, and scenic solutions to the live events industry. Our clients rely on us to deliver bespoke production solutions to a wide range of prestige live events across the UK & Europe.

Due to continued growth an opportunity has arisen for an enthusiastic individual to join our team based in Borehamwood, Hertfordshire in the role of Lighting Technician.

In this role you will be part of a team delivering an exciting range of projects across a variety of different sectors. No day is the same and our diverse client base means project work is extremely varied.

The ideal candidate will have a strong background in performance lighting design, implementation, and operation with a focus on live music and events. You should be a proficient user of at least one of our preferred console platforms – either GrandMA, Avolites or Chamsys. You should have an excellent working knowledge of general production techniques including IT, rigging, power distribution & data distribution along with a good working knowledge of the latest technologies and best practice. A good general understanding of electrical theory and ability to undertake basic fault finding will be essential. Experience in other production disciplines like audio or lighting would also be extremely beneficial.

The ideal candidate will be enthusiastic, eloquent, and able to work well as part of a wider team or using their own initiative. The role is heavily client facing so you must be a confident communicator with a desire to deliver the best service standards possible. You must be keen to learn and develop your expertise continually, meticulous, and thorough in your work and have excellent interpersonal skills.

Due to the nature of the live events industry working hours will be flexible and will include regular evening and weekend work. A full driving licence will be extremely beneficial.

This is a great opportunity for the right candidate to join a friendly and passionate team that thrives on a challenge. We'll reward you with a generous salary, opportunities for personal growth and a fun working environment with a group of people who care.

Company benefits include:

- 30 days paid holiday (including Public Holidays)
- Personal private healthcare provided by BUPA
- Private dental provided by Denplan
- Enhanced company pension
- Weekly snacks & 'Fresh Fruit Fridays'
- Long service reward scheme
- £50 annual birthday gift
- Staff facilities including fresh ground coffee, vending machine & pool table
- Ongoing specific training opportunities
- Provision of full tool kit
