

Job Specification: **Technical Project Manager**  
Reports to: **Director of Production**  
Date Updated: **10<sup>th</sup> March 2023**

# Job Specification

Light Fantastic Production Services Ltd provide high quality lighting, audio, video and scenic solutions to the live events industry. Our clients rely on us to deliver bespoke production solutions to a wide range of prestige live events across the UK & Europe.

An opportunity has arisen for an enthusiastic individual to join our team based in Borehamwood, Hertfordshire in the role of Technical Project Manager.

The role will be heavily customer facing, working with our existing clients to service a diverse range of projects as well as proactively seeking opportunities for business development. In the role you will see projects through from initial quotation to final delivery. You will lead teams on site delivering projects to a high standard and acting as an ambassador for the company.

The ideal candidate will have a strong background in lighting / audio / video system design & implementation along with a good working knowledge of the latest technologies and best practice. You must be able to specify complete systems in at least one core discipline with an in-depth level of technical knowledge. You must be a hands-on leader, able to lead the deployment of systems and teams on site in a proactive manner.

You must be enthusiastic, eloquent and comfortable producing quotes, presenting to clients, handling budgets, managing logistics and growing / developing business opportunities. You must be able to demonstrate experience within the production industry and have a good range of professional contacts and knowledge alongside a positive, can-do attitude. You must possess excellent organisational skills and be highly computer literate. A familiarity with AutoCAD and Microsoft Office would be highly beneficial. Excellent interpersonal skills will be essential along with a good sense of humour!

Due to the nature of the live events industry working hours will be flexible and will include evening and weekend work. A full driving licence will be extremely beneficial.

This is a great opportunity for the right candidate to join a friendly and passionate team that thrives on a challenge. We'll reward you with a generous salary, opportunities for personal growth and a fun working environment with a group of people who care.

## Company Benefits include:

- 30 days paid holiday (including Public Holidays)
- Personal private healthcare provided by BUPA
- Private dental provided by Denplan
- Enhanced company pension
- Weekly snacks & 'Fresh Fruit Fridays'
- Long service reward scheme
- £50 annual birthday gift
- Staff facilities including fresh ground coffee, vending machine & pool table
- Ongoing specific training opportunities
